DISCOVER THE REAL BALI!

Exclusive

Authentic Bali all-inclusive daytrips take you per luxury airconditioned car to special places without other tourists. A **limited** number of guests shows our respect to you, the local family that you visit and their living and working environment.

Themes

Trips have 4 themes: agriculture, culture, nature and authentic village life. All four themes apply to every trip; per daytrip there is **focus** on one.

Destinations

Choose which **province** to visit: Bangli, Buleleng, Gianyar, Karangasem or Tabanan. We've selected the target locations carefully to show you the pure and authentic Bali, away from the crowds. As our guest you support the local communities we visit.

Bestseller: **authentic village life - Karangasem**
